

(3) When a contract writing system is not integrated with FPDS, the CAR must be submitted to FPDS within three business days after contract award.

(4) For any action awarded in accordance with FAR 6.302–2 or pursuant to any of the authorities listed at FAR Subpart 18.2, the CAR must be submitted to FPDS within 30 days after contract award.

(5) When the contracting office receives written notification that a contractor has changed its size status in accordance with the clause at 52.219–28, Post-Award Small Business Program Rerepresentation, the contracting officer must submit a modification contract action report to ensure that the updated size status is entered in FPDS-NG.

(c) The chief acquisition officer of each agency required to report its contract actions must submit to the General Services Administration (GSA), in accordance with FPDS guidance, by January 5, an annual certification of whether, and to what degree, agency CAR data for the preceding fiscal year is complete and accurate.

4.605 Procedures.

(a) *Procurement Instrument Identifier (PIID)*. Agencies must have in place a process that ensures that each PIID reported to FPDS is unique, Governmentwide, and will remain so for at least 20 years from the date of contract award. Agencies must submit their proposed identifier format to the FPDS Program Management Office, which maintains a registry of the agency unique identifiers on the FPDS website, and must validate their use in all transactions. The PIID shall consist of alpha characters in the first positions to indicate the agency, followed by alphanumeric characters identifying bureaus, offices, or other administrative subdivisions. Other pertinent PIID instructions can be found at <https://www.fpds.gov>.

(b) *Data Universal Numbering System (DUNS)*. The contracting officer must identify and report a DUNS number (Contractor Identification Number) for the successful offeror on a contract action. The DUNS number reported must identify the successful offeror's name

and address as stated in the offer and resultant contract, and as registered in the Central Contractor Registration (CCR) database in accordance with the clause at 52.204–7, Central Contractor Registration. The contracting officer must ask the offeror to provide its DUNS number by using either the provision at 52.204–6, Data Universal Numbering System (DUNS) Number, the clause at 52.204–7, Central Contractor Registration, or the provision at 52.212–1, Instructions to Offerors—Commercial Items.

(1) Notwithstanding the inclusion of the provision at 52.204–6 in the associated solicitation or except as provided in paragraph (b)(2) of this section, the contracting officer shall use one of the generic DUNS numbers identified in CCR to report corresponding contract actions if the contract action is—

(i) With contractors located outside the United States and its outlying areas as defined in 2.101 who do not have a DUNS number, and the contracting officer determines it is impractical to obtain a DUNS number;

(ii) With students who do not have DUNS numbers;

(iii) With dependents of veterans, Foreign Service Officers, and military members assigned overseas who do not have DUNS numbers; or

(iv) For classified or national security.

(2) In accordance with agency procedures, authorized generic DUNS numbers found at <https://www.fpds.gov> may be used to report contract actions when—

(i) Specific public identification of the contracted party could endanger the mission, contractor, or recipients of the acquired goods or services; or

(ii) The agency determines it is impractical to obtain a DUNS number.

(c) The contracting officer, when entering data in FPDS, shall use the instructions at <https://www.fpds.gov> to identify any action funded in whole or in part by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111–5).
